Meeting Request Tool

edlio.com

CHALLENGE

Design an intuitive web interface for parents and guardians to request meetings with school staff members.

TECHNOLOGY RESEARCH

AngularJS provides real-time feedback without the need to reload pages.

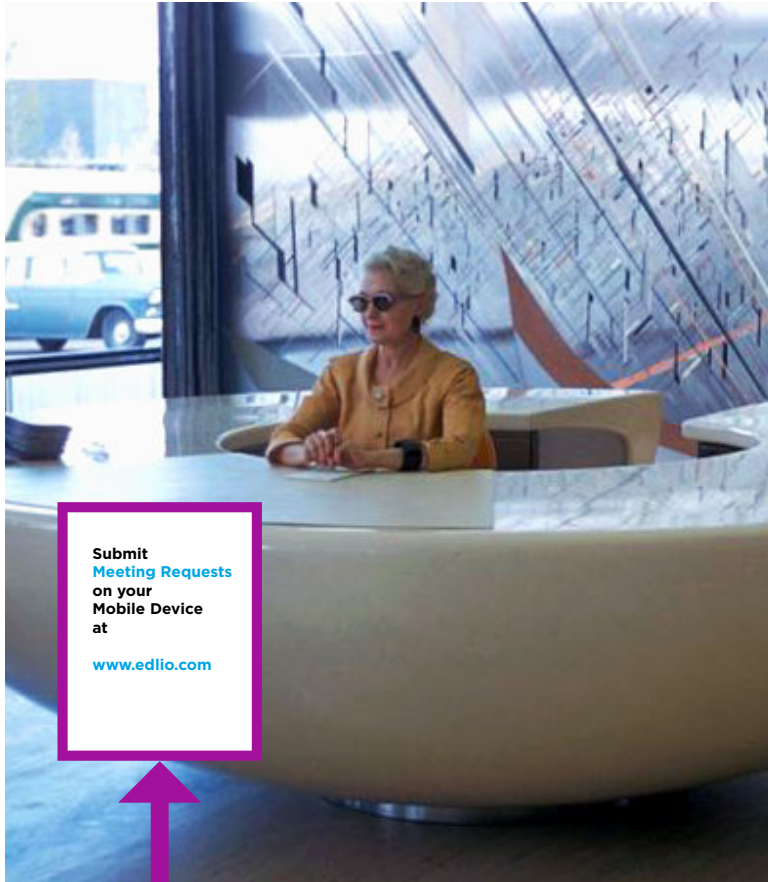

PARENT/GUARDIAN JOURNEY

MEGAN

Recently married Don and became step-mother to Sally.

Megan wants to be involved with Sally's education.

Flyer

INTIMIDATING

The Edlio school is top-ranking, unfortunately it's also intimidating.

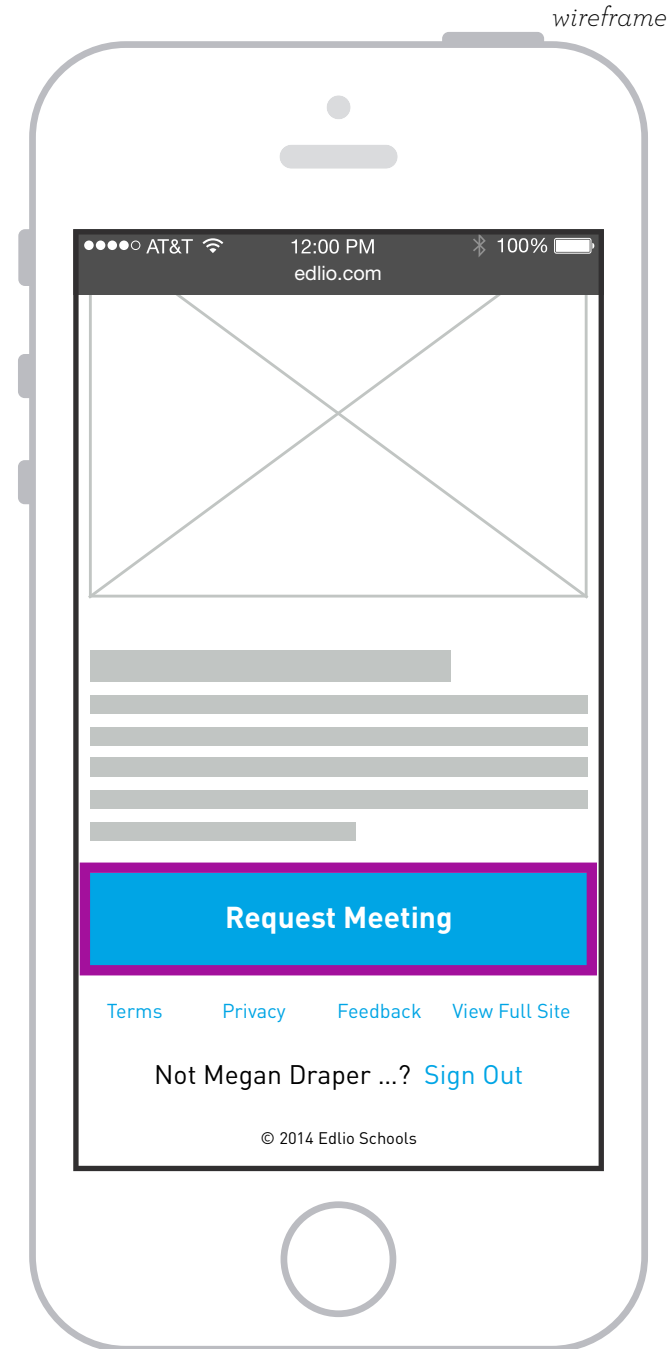

Megan catches a flyer announcing she can now request meetings from the comfort of her mobile device.

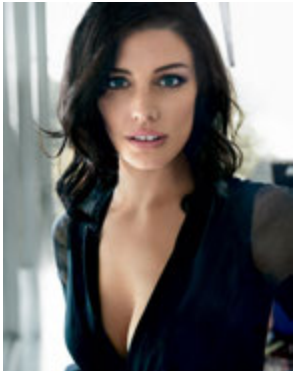

MEGAN

Megan visits the school website.

Megan locates the *Request Meeting* button and taps on the button.

School Website

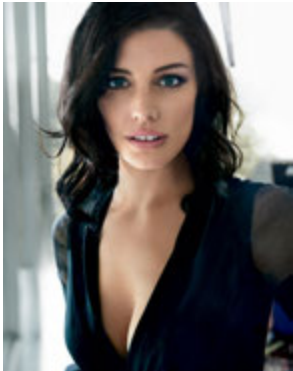

MEGAN

Megan is presented with a short form.

Megan has only one child enrolled, Sally. Sally is automatically selected under the *Regarding* Label.

The image shows a mobile app wireframe for a 'Meeting Request Tool'. The screen is displayed within a smartphone outline. At the top, the status bar shows 'AT&T', signal strength, '12:00 PM', and '100%' battery. Below the status bar is a browser address bar with 'edlio.com' and a refresh icon. The main content area has a blue header with the text 'Request Meeting'. Below this, there are three sections: 'REGARDING' with a text input field containing 'Sally Draper'; 'WITH' with three buttons labeled 'Instructor', 'Administration', and 'Nurse'; and 'PREFERRED TIME' with three buttons labeled 'Morning', 'TODAY' (highlighted with a pink border), and 'Afternoon'. At the bottom of the form is a large 'Submit' button. The bottom of the screen shows a standard mobile navigation bar with back, forward, home, and app drawer icons.

Meeting Request Tool

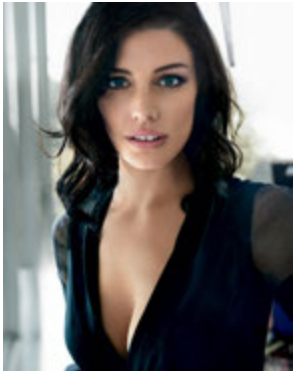

MEGAN

Megan wishes to meet with Sally's instructor.

Megan selects *Instructor*.

The wireframe shows a mobile application interface for requesting a meeting. The screen is titled "Request Meeting" and is part of the "edlio.com" website. The interface includes a status bar at the top with "AT&T", "12:00 PM", and "100%" battery. Below the status bar is a browser address bar with "edlio.com". The main content area is divided into sections: "REGARDING" with a text input field containing "Sally Draper"; "WITH" with three buttons: "Instructor" (selected), "Administration", and "Nurse"; "PREFERRED TIME" with three buttons: "Morning", "TODAY" (selected and highlighted with a pink border), and "Afternoon"; and a "Submit" button at the bottom. The bottom of the screen features a navigation bar with back, forward, and home icons, and a physical home button below it.

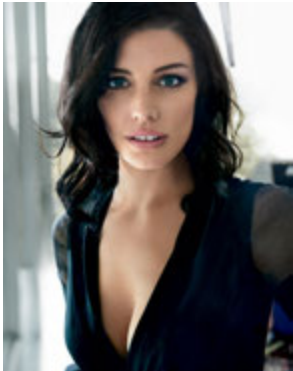

MEGAN

Mr. Ethan Johnson
automatically populates below.

Mr. Ethan Johnson is Sally's
only educator.

The wireframe shows a mobile app interface for requesting a meeting. The screen is titled "Request Meeting" and is displayed on a smartphone. The interface includes a status bar at the top with "AT&T", "12:00 PM", and "100%" battery. The browser address bar shows "edlio.com". The main content area is divided into sections: "REGARDING" with a text input field containing "Sally Draper"; "WITH" with three buttons labeled "Instructor", "Administration", and "Nurse"; a text input field containing "Mr. ETHAN JOHNSON"; "PREFERRED TIME" with three buttons labeled "Morning", "TODAY" (highlighted with a pink border), and "Afternoon"; and a "Submit" button at the bottom. The bottom of the screen shows a standard mobile navigation bar with back, forward, and home icons.

MEGAN

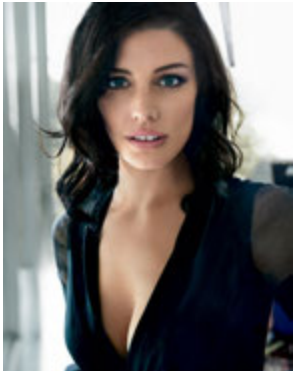

Megan prefers to meet in the morning.

The first available date and time automatically populate below.

The wireframe shows a mobile application interface for requesting a meeting. The screen is titled "Request Meeting" in a blue header. Below the header, there are several sections:

- REGARDING**: A text input field containing "Sally Draper".
- WITH**: Three buttons labeled "Instructor", "Administration", and "Nurse".
- Mr. ETHAN JOHNSON**: A text input field.
- PREFERRED TIME**: Three buttons labeled "Morning", "TODAY", and "Afternoon". The "TODAY" button is highlighted with a pink border.
- July 8, 2014 — Tuesday**: A date and day selection field with a dropdown arrow.
- 8:00 AM**: A time selection field.
- Submit**: A button at the bottom of the form.

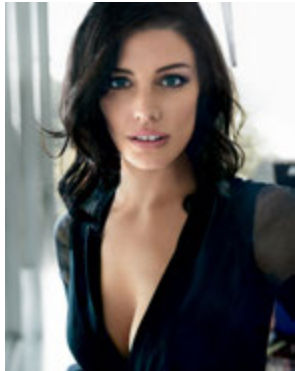

The interface is displayed on a smartphone frame with a status bar at the top showing "AT&T", "12:00 PM", and "100%" battery. The bottom of the screen shows a standard iOS-style navigation bar with back, forward, and home icons.

MEGAN

Tuesday July 8, 2014 will not work for Megan. Megan has an audition she's really looking forward to that morning.

The image shows a mobile app wireframe for a 'Request Meeting' form. The app is displayed on a smartphone screen. The status bar at the top shows 'AT&T', signal strength, Wi-Fi, 12:00 PM, Bluetooth, and 100% battery. The browser address bar shows 'edlio.com'. The form is titled 'Request Meeting' in a blue header. It contains several sections: 'REGARDING' with a text input field containing 'Sally Draper'; 'WITH' with three buttons labeled 'Instructor', 'Administration', and 'Nurse'; a text input field containing 'Mr. ETHAN JOHNSON'; 'PREFERRED TIME' with three buttons labeled 'Morning', 'TODAY' (highlighted with a pink border), and 'Afternoon'; a date selector showing 'July 8, 2014 - Tuesday' with a dropdown arrow; a time selector showing '8:00 AM'; and a 'Submit' button at the bottom. The bottom of the screen shows a standard iOS navigation bar with back, forward, home, and app switcher icons.

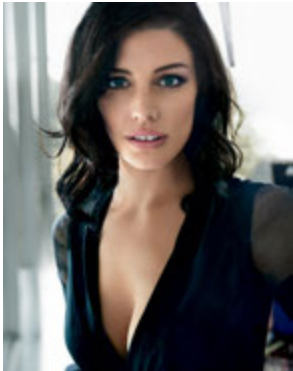

MEGAN

Megan selects *Wednesday July 9, 2014*, a better option for her.

The wireframe shows a mobile application interface for requesting a meeting. The screen is titled "Request Meeting" and is part of the "edlio.com" website. The form includes the following sections:

- REGARDING**: A text input field containing "Sally Draper".
- WITH**: Three buttons labeled "Instructor", "Administration", and "Nurse".
- Mr. ETHAN JOHNSON**: A text input field.
- PREFERRED TIME**: Three buttons labeled "Morning", "TODAY", and "Afternoon". The "TODAY" button is highlighted with a pink border.
- Date Selection**: A dropdown menu showing "July 8, 2014 — Tuesday" and "July 9, 2014 — Wednesday". The "July 9, 2014 — Wednesday" option is highlighted.
- Submit**: A button at the bottom of the form.

The mobile interface includes a status bar at the top showing "AT&T", "12:00 PM", and "100%" battery. The bottom of the screen features a navigation bar with back, forward, and home icons, and a physical home button below it.

MEGAN

Wednesday's available time slots populate bellow.

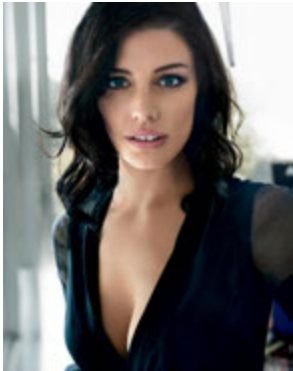

Megan selects 7:30 AM.

The wireframe shows a mobile app interface for requesting a meeting. The screen is titled "Request Meeting" and is displayed on a smartphone. The status bar at the top shows "AT&T", "12:00 PM", and "100%" battery. The browser address bar shows "edlio.com".

The form fields are as follows:

- REGARDING:** A text input field containing "Sally Draper".
- WITH:** Three buttons labeled "Instructor", "Administration", and "Nurse".
- Mr. ETHAN JOHNSON:** A text input field.
- PREFERRED TIME:** Three buttons labeled "Morning", "TODAY" (highlighted with a pink border), and "Afternoon".
- Date:** A dropdown menu showing "July 9, 2014 - Wednesday".
- Time Slots:** Four buttons labeled "7:00 AM", "7:30 AM" (highlighted with a grey background), "8:00 AM", and a "+" button.
- Submit:** A button at the bottom of the form.

The bottom of the screen shows a standard iOS navigation bar with back, forward, home, and app switcher icons.

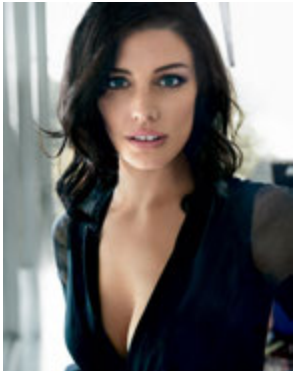

MEGAN

Megan swipes up to review her request, then taps *Submit* to complete her request.

The wireframe shows a mobile app interface for requesting a meeting. The screen is titled "Request Meeting" and displays the following information and controls:

- REGARDING:** A text input field containing "Sally Draper".
- WITH:** Three buttons labeled "Instructor", "Administration", and "Nurse".
- Mr. ETHAN JOHNSON:** A text input field.
- PREFERRED TIME:** Three buttons labeled "Morning", "TODAY" (highlighted with a pink border), and "Afternoon".
- July 9, 2014 – Wednesday:** A date and day selector with a dropdown arrow.
- Time slots:** Four buttons labeled "7:00 AM", "7:30 AM", "8:00 AM", and "+".
- Submit:** A large blue button at the bottom.

The status bar at the top shows "AT&T", "12:00 PM", "edlio.com", and "100%" battery.

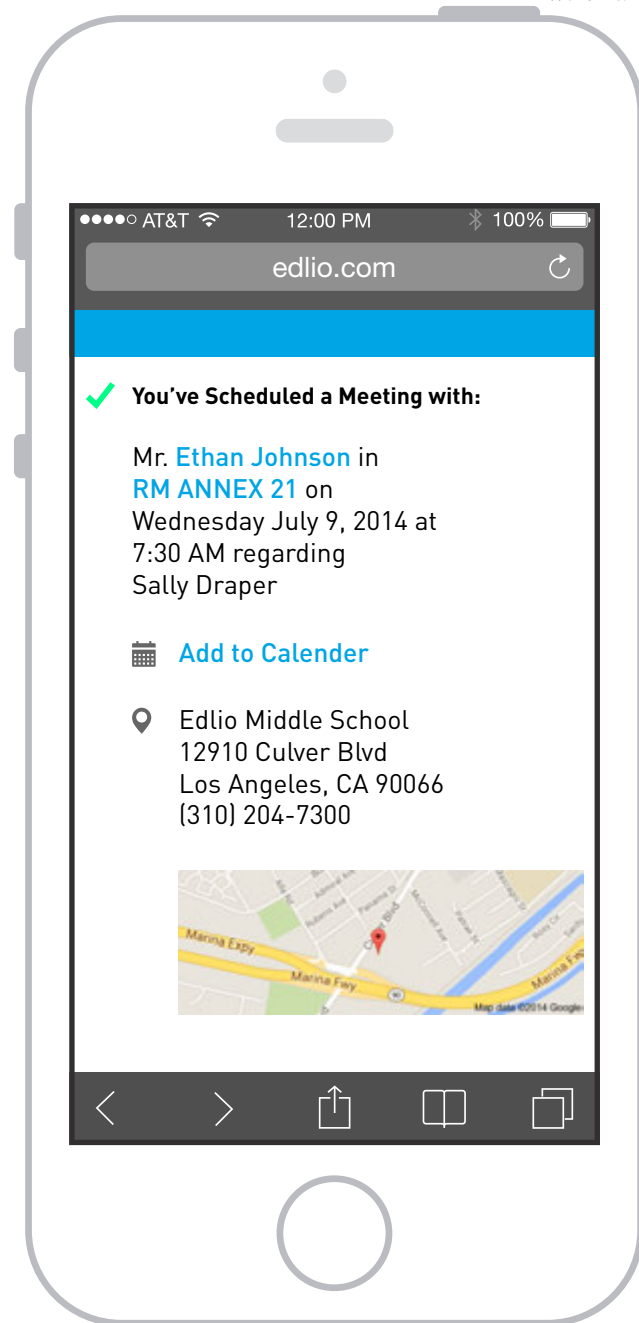

MEGAN

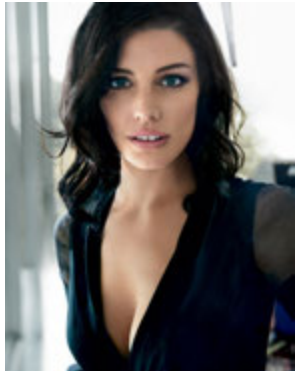

After submitting her request, Megan is presented with confirmation and pertinent information.

Megan sighs.

Megan has never met with Sally's educators and appreciates the information.

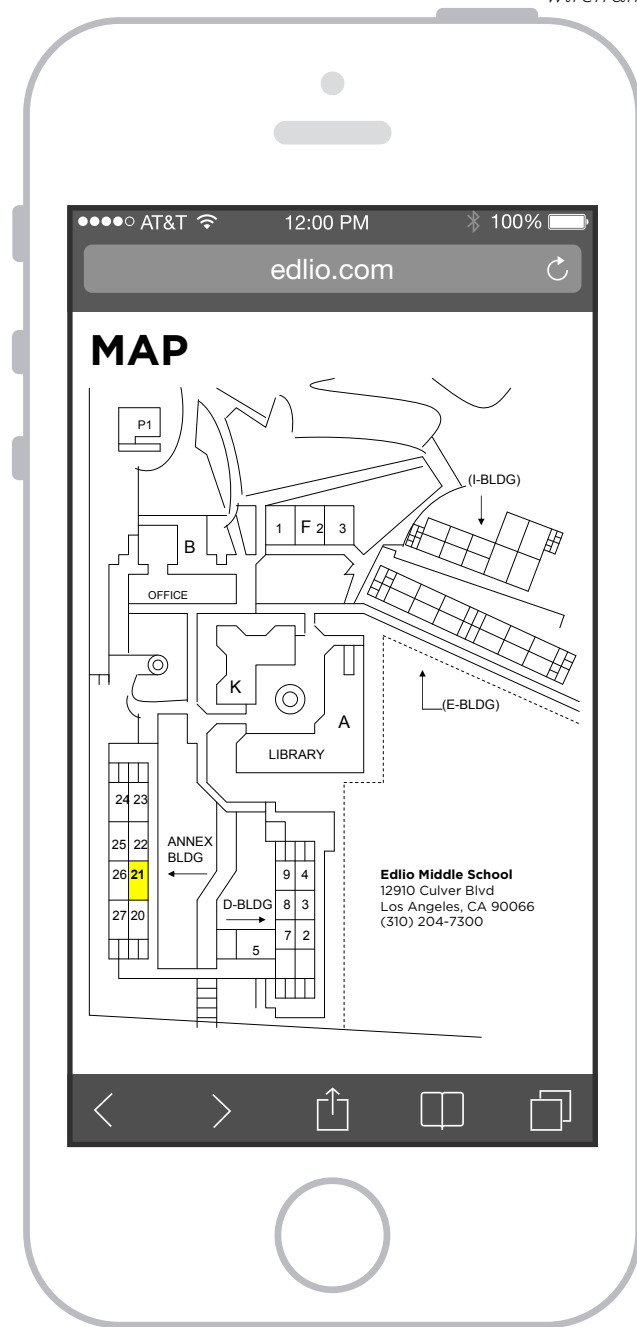

Request Overview

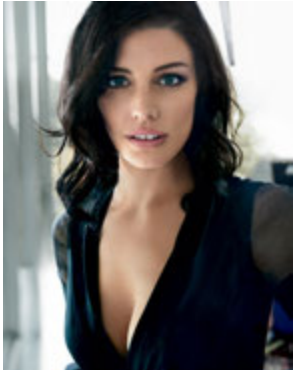

MEGAN

Megan assess the map and orientates herself in anticipation of the meeting.

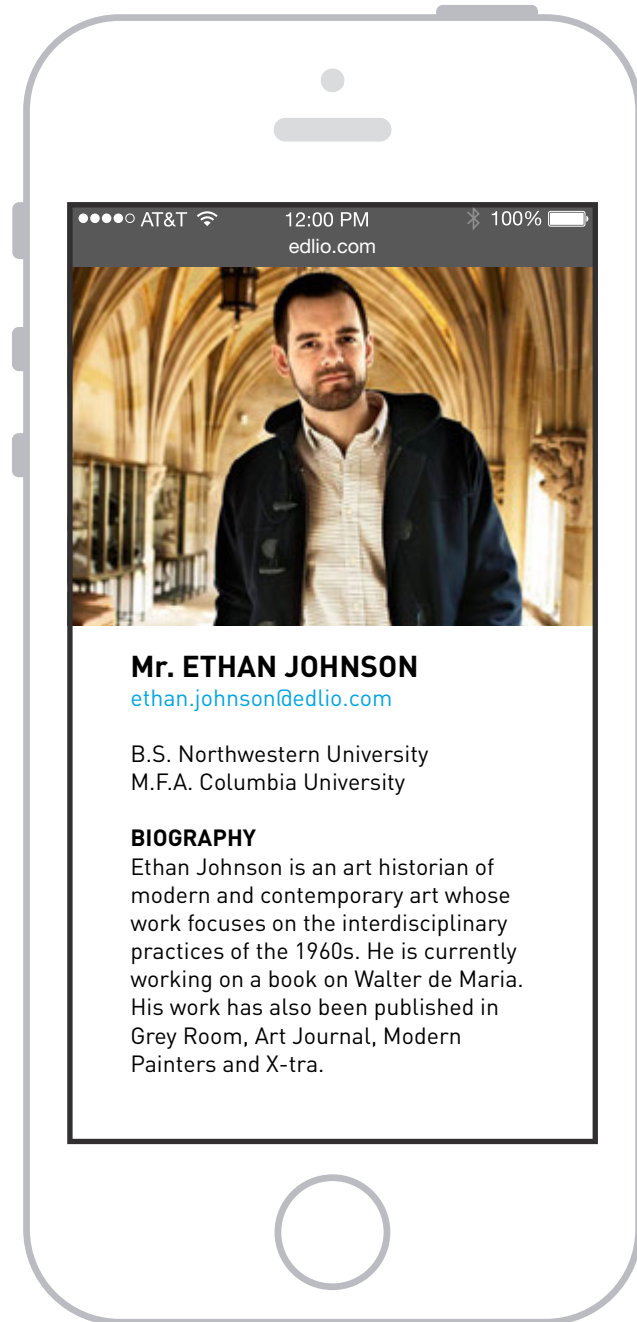

Pertinent Information

MEGAN

Megan places a face to a name.

Megan reviews Mr. Johnson's profile. She notices Ethan is an aficionado of the 1960's and decides to break the ice before the meeting with a topic from the 1960's.

INSTRUCTOR JOURNEY

ETHAN

Ethan receives a push notification.

Sally Draper's guardian has requested a meeting.

Ethan taps *Details*.

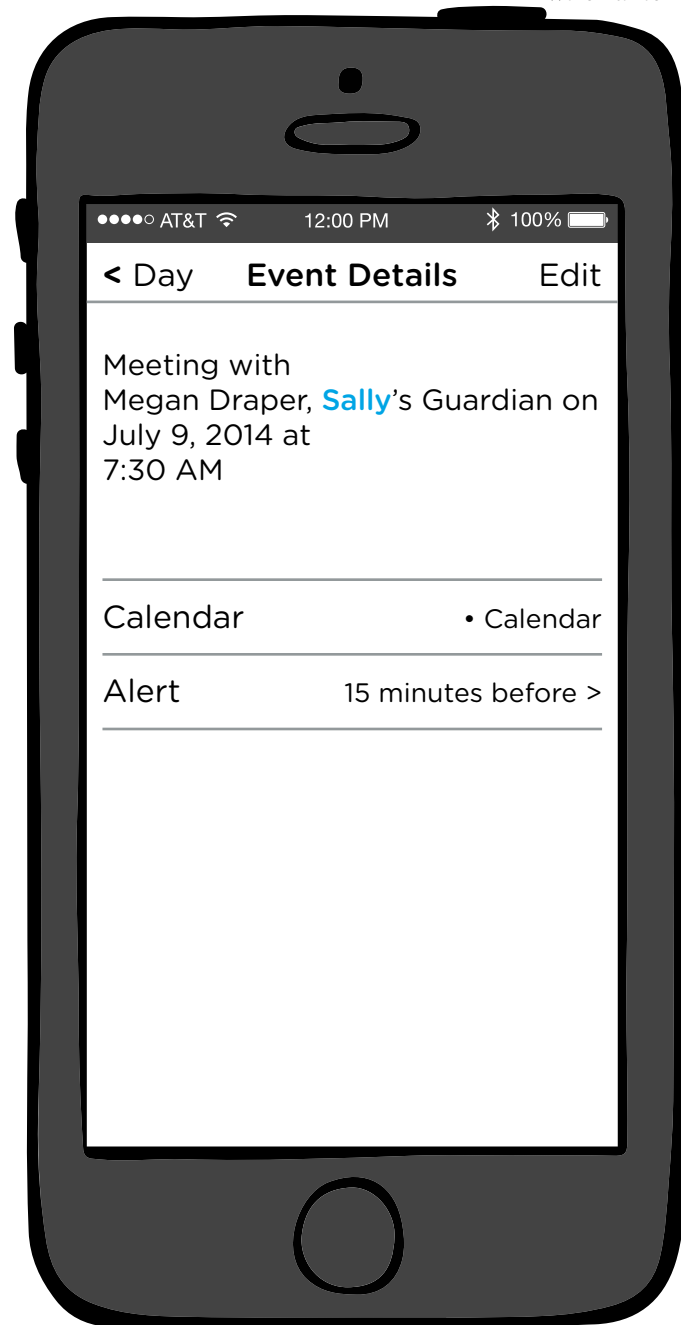

Push Notification

ETHAN

Ethan reviews Sally's guardian's request.

Ethan decides to prepare for the meeting and taps on *Sally's* link for more detail.

Calendar Detail Page

ETHAN

Ethan is taken to his instructor portal.

Ethan reviews Sally's progress and notes.

Instructor Portal

SUMMARY

Real-time feedback improves user experience and speeds up input. Fields can populate with profile data, filter data in real-time and allow for next steps when users complete inputs in accepted manner.
